COMP2005 – Group 8

Plan for Iteration 4 (beginning 11/14/20)

Note: Our group agreed at our initial meeting to set up a two-meeting system. Our week begins on Saturday, where we meet at 12pm (sometimes 3pm). At this meeting we divide the work into 1-2 person teams. Drafts are due on Tuesday, midnight. Our review meeting is Wednesday 12pm, and agreed-upon edits are to be assigned and completed by Thursday, midnight. The week ends on Friday, with submission of final work before midnight.

Week 2 Activities

#	Activity	Member(s)	Review On	Complete by	Depends On
1	Analysis of Future Networking Capability	Riya, Jon, Lau	11/25/20	11/27/20	All docs and code.
2	Pattern Usage Document	Riya, Jon, Lau	10/21/20	10/16/20	All docs and code.
3	JUnit Testing	Owen, Zach	10/21/20	10/16/20	Existing code
4	Final Release	All	10/21/20	10/16/20	3

Note: Members listed are to be considered 'primary' members for these tasks. All members will be expected to assist with developments on each task in the final stage.

Let's finish strong!!
